**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen a competitive provider because I have a choice and their broadband service is affordable.

It is critical that competition is available and we can make choices as to what fits our budget and what services we need. As a consumer, I enjoy being able to make that choice.

I cannot afford anymore price hikes that will increase the cost of my internet and telephone service.

Please do not take away our choices and the competitive offers that we are now afforded.

Thank you.

Cordelia Francis
